Welcome to Ministry of Works eService

Request Work Permit

Welcome to the Ministry of Works Request Permit eService. With continuing our effort to provide a higher standard of living and quality of life to the citizens of Bahrain, we provide this eService as another channel to Work Permits.

-  **Rules and Regulations**
Please carefully read the rules and regulations before submitting an application.
-  **Submit New Application**
This option to be used by contractors to submit a new application request. Please do not submit multiple application for a single permit. All applications are monitored and any misuse will be acted upon.
-  **Check Application Status**
Use this option to check the status of a previously submitted application. To check the status you would need the application number.
-  **Safety Officer Login**
This option to be used by Contractor Safety Officer in Order to take the required action on the Permits assigned.
-  **How Do It?**
Video presentation for 'How to submit new Request' and 'How to check the status of the request' using this eService.

This service is provided by Ministry of Works 

Click on “**Submit New Application**” option to submit a new application request.

Welcome to Ministry of Works eService

Request Work Permit

Submit Work Permit
